

Whitehall
Scout Group
Easter 2019

Dear Parents

Money

The total cost of Easter Camp is £30. The balance should be paid by Tuesday 9th April. If paying by cheque please make your cheque payable to Brunel District Scouts.

Menu

You've been given a copy of the menu for camp. This, as explained at the meeting, is your opportunity to tell us of anything your child can't/won't eat. We're asking that *everyone* return the menu with either an indication that either your child can eat *everything* on the menu, or details of what your child can't/won't eat (with suggested alternatives).

Please return the menu by Tuesday 9th.

By giving everyone the opportunity before the camp to tell us of anything your child can't / won't eat; it means that unless we're advised to the contrary, your child *will* eat what is on the menu.

Forms

You've been given you a Health and Consent Form and Emergency Contact Details. These forms should be returned by Tuesday 9th.

Kit

You've been given a list of the kit will need for camp. Please treat the list we've given you as the **minimum requirements** for what will be needed. Remember that plenty of clothes should be brought. Your child will know what they're bringing to camp if they pack their own kit; this helps when things get misplaced. After we return from camp we'll keep for a few weeks those items that have not been claimed after which we will dispose of them.

Uniform should **not** be packed, as it needs to be worn to camp!

Don't send anything that you wouldn't want to see get wet or covered in mud!

The only food your child should be bringing is their Easter Egg. *No other food to be brought.*

Please speak us at the end of a Meeting if you have any query concerning what kit should be brought.

Saturday 20th April

We'll be meeting at Glenny Wood. at **10.00am** on Saturday 20th April; uniform should be worn. On arrival we will collect their Easter Egg, and any medication they need.

The address of the site is;

Glenny Wood. Camp Site, Wood Lane, Clapton in Gordano, Portishead, North Somerset, BS20 7RQ

Sunday 21st April

We will be finishing our camp at 8:30pm where the Beavers will need collecting from Glenny Wood.

Please speak to me or any of the leaders at the end of a Colony, Pack or Troop Meeting if you have any query concerning the above, or have any other enquiry regarding the camp.
