

## Easter 2019

Dear Parents

### Money

The total cost of Easter Camp is £60. The balance should be paid by Wednesday 10th or Thursday 11th April. If paying by cheque please make your cheque payable to Brunel District Scouts.

### Menu

You've been given a copy of the menu for camp. This, as explained at the meeting, is your opportunity to tell us of anything your child can't/won't eat. We're asking that *everyone* return the menu with either an indication that either your child can eat *everything* on the menu, or details of what your child can't/won't eat (with suggested alternatives).

Please return the menu by Wednesday 10th or Thursday 11th April.

By giving everyone the opportunity before the camp to tell us of anything your child can't / won't eat; it means that unless we're advised to the contrary, your child *will* eat what is on the menu.

### Forms

You've been given you a Health and Consent Form and Emergency Contact Details. These forms should be returned by Wednesday 10th or Thursday 11th April (or earlier if you prefer).

### Kit

You've been given a list of the kit will need for camp. Please treat the list we've given you as the **minimum requirements** for what will be needed. Remember that plenty of clothes should be brought. Your child will know what they're bringing to camp if they pack their own kit; this helps when things get misplaced. After we return from camp we'll keep for a few weeks those items that have not been claimed after which we will dispose of them.

Uniform should **not** be packed, as it needs to be worn to camp!

Don't send anything that you wouldn't want to see get wet or covered in mud!

The only food your child should be bringing is their Easter Egg and their packed lunch for Friday. *No other food to be brought.*

**Scouts** will walking to site you will need a waterproof coat and sensible footwear.

Please speak us at the end of a Meeting if you have any query concerning what kit should be brought.

### Friday 19<sup>th</sup> April

We'll be meeting at our H.Q. at **10.30am** on Friday 19<sup>th</sup> April; uniform should be worn. On arrival we will collect their Easter Egg, and any medication they need.

**Scouts** will be walking from our Building to Site while there kit is transported in the van.

**Cubs** We are asking for parents to transport Cubs to site the address of the site is;

Glenny Wood Camp Site, Wood Lane, Clapton in Gordano, Portishead, North Somerset, BS20 7RQ.

Please let us know if you can help transport the Cubs.

### Monday 22<sup>nd</sup> April

We will be finishing our camp at 2:30pm where the Cubs and Scouts will need collecting from Cleeve Hill to our H.Q. Please let us know if you can help transport.

### Van

If anyone can provide a Van to transport kit to and from camp please speak to one of the leaders.

Please speak to me or any of the leaders at the end of a Pack or Troop Meeting if you have any query concerning the above, or have any other enquiry regarding the camp.
